Call for Papers

First IC3E-2018 (International Conference on Emerging Trends in Communication, Computing and Electronics) will feature both invited and contributed papers. The accepted and presented papers will be published by international publishers of high repute. The abstracts will be indexed and available at major academic databases like-

- ISI Conference Proceedings Citation Index - Science (CPCI-S), included in ISI Web of Science
- EI Engineering Index (Compendex and Inspec databases)
- ACM Digital Library
- DBLP
- Google Scholar
- IO-Port
- MathSciNet
- Scopus
- Zentralblatt MATH

Revised and extended version of selected papers of high quality will also get a chance to be published in reputed SCI and SCOPUS indexed international journals.

Scope of the Conference

International Conference on Emerging Trends in Communication, Computing and Electronics (IC3E-2018) aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results about all aspects of communication, computing and electronics. It also provides the premier interdisciplinary forum for scientists, engineers, practitioners, academicians and students to present their latest research results, ideas, developments, and applications in all areas of Science, Engineering, and Technology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- Communication Systems
- Optical Fiber Communication
- Information Technology
- Antenna and Wave Propagation
- Signal and Image Processing
- Video Processing and Computer Vision
- Human Computer Interaction
- Artificial Intelligence & Evolutionary Computing
- Machine Learning
- Big Data Analysis
- Biometrics
- Electronics Circuits and Devices
- VLSI Design
- Embedded Systems

- Control Systems
- Modern Digital Systems
- Real Time Systems
- Wireless Sensor Networks
- Cloud Computing
- Robotics
- Micro & Nano Electronics
- Photonics
- Mobile & Optical Networks
- Network Security

Important dates

Paper submission: **08th March, 2018**
 Author notification: **25th March, 2018**
 Camera ready submission: **31st March, 2018**
 Author registration: **31st March, 2018**
